

# Kirkland Town Library Quarantine Walking Club

## Challenge One: Poetry Path

### How it works:

1. Pick up the weekly challenge at the Kirkland Town Library. You are welcome to leave your car in the parking lot.
2. Follow the map provided and try a path you might never have walked before.
3. Be safe. While you are walking, keep six feet of social distance between you and anyone else. If you are on a road without sidewalks, walk against traffic as far out of the street as possible.
4. When you are done, fill out the bottom portion of the challenge sheet, place it in the envelope at the library's main entrance, and be entered to win a prize.

As you walk the Poetry Path, savor the unique way poems connect us to places, community and each other. Several of the poets have local connections. Follow the map to each outdoor location and enjoy poems chosen for their resonance with their locale. Plus, it's always open, as long as there is enough light to read!
