

2026 Clinton Challenge

Which Clinton library can read the most this summer? Join our team and help us win the trophy!

It's easy to participate. **Keep track of how much time you spend reading or how many pages you've read.** You can read books, magazines, or newspapers, listen to an audiobook, or anything you can borrow from the library.

Report your reading time to the library. New this year, we are collecting results less frequently, giving you more time to spend reading! Plus, to avoid any unexpected buzzer-beating endings, you can't wait until the end of the summer to report your time. Instead, all time is due at the end of each month.

Submit your time or pages either by dropping off this log, by sending us an email, or by following the link on our website. For every period that you submit your time, you'll be entered in a raffle to win fun prizes. For readers ages 18 and up.
